RETRENCHMENT IS
ORDER ON BORAX
SMITH PEOPLE

TRUSTEES EXPLAIN THAT \$50,000
A MONTH MUST BE
LOPPED OFF.

Today is the last day, under the postponed arrangement, on which the creditors of Borax Smith were to deposit the securities they hold with the committee, which is endeavoring to save the financial ventures of the borax king from ruin.

John S. Drum, spokesman of the trustees, said last night that without all of the depositors had turned in their securities, those who had failed to do so had filed in their place eloquent and satisfactory promises to do so at a later date. Consequently, Drum said, there would be no further extension of the time.

The security holders of the United Properties company will learn in a letter from the Hanford Investment company that no dividend is to be expected from that particular source of profit at this particular time.

Glen C. Barnhart will assume office tomorrow as general manager of the Realty Syndicate company, the pet corporation of E. M. Smith, the "borax king," with the sole duty of paving the way for the untangling of the very much muddled affairs of all the interests formerly dominated by the capitalist.

Barnhart expects to dispose of every foot of land owned by the corporation within the next five years. Incidentally, with the aid of the five members of the advisory board of the Smith affairs, Barnhart expects, he says, to pay off every cent of liability of the syndicate and to pay in full every dollar invested by the stockholders. It is estimated that Smith will lose approximately \$35,000,000 with the wiping out of existence of the corporation. Officials of the syndicate aver that Smith will be the only loser.

Barnhart will succeed Paul Dinmore at the head of the syndicate affairs. Dinmore is the last of the adherents of the E. C. Havens faction, and was one of the very few Havens men who remained with the Smith interests after the now historic split between the two money kings three years ago. Dinmore will assume the office of manager of the real estate department of the Wickham Havens company tomorrow.

Officials of the syndicate state that Dinmore does not leave the Smith interests "in anger," but that he has joined the forces of his former chief because of better salary inducements. Dinmore has been manager of the syndicate for the past eight years.

P. W. Morehouse will assist Barnhart in the administration of the corporation's affairs as secretary. Barnhart has up to this time been manager of the certificate department of the company.

With the advent of Barnhart as the managing head of the syndicate, every effort of the concern is to be concentrated in the selling department. It is hoped every holding of the firm will be sold within the coming five years. The value of the corporation's land is placed at \$7,000,000. In addition to this, the corporation had assets of stocks and bonds of subsidiary companies of Smith amounting to \$8,000,000. The assets of the corporation are valued at \$15,552,184.23, it is claimed.

In response to the orders of the advisory board that the overhead expenses of the various Smith interests must be decreased \$50,000 a month, or \$600,000 a year, a policy of retrenchment has been begun by each of the corporations, which already is saving the concerns several hundred thousand dollars.

BY THATCHER

PLEADS THAT HE ONLY DID HIS
DUTY AND NEVER DID
WRONG.

Judge Frank Langan, who came from the Comstock this morning to hold court, made the following statement concerning the report filed by the State Bank investigating committee, which was given circulation yesterday:

"My attitude and feeling concerning the receivership of the State Bank & Trust company and the serious reflection upon my integrity as a man and as a judge were fully expressed in my letters to the Nevada legislature, during its last session. I can only repeat them here. I know in my own heart that I have been honest and that I have endeavored at all times as a judge to exercise the best possible judgment of which I was capable. I am ready to stand or fall by any fair, calm and impartial investigation of my administration as judge of this district. I have no fear of the truth and I am sure the truth will reveal my official acts as having been prompted and carried out by the highest motives and integrity which my position commands. Notwithstanding the attacks made upon me I have continued and am still striving to carry out my official duties uninfluenced by matters out of the court room and to judge the law and the facts in accordance with my official oath.

DON'E STAY GRAY! SAGE TEA WILL
DARKEN YOUR HAIR BEAUTIFULLY

A Mixture of Sage and Sulphur Prevents Dandruff and Falling Hair.

When you darken your hair with Sage Tea and Sulphur no one can tell, because it's done so naturally; so evenly. It is also splendid to remove dandruff, cure itching scalp and stop falling hair.

Preparing this mixture, though, at home is a messy and troublesome task. For about 50 cents a bottle you can buy at any drug store the ready-to-use tonic called, "Wyeth's Sage and Sulphur Hair Remedy." Some druggists put this mixture up themselves but make it too sticky, so insist you want "Wyeth's" then there'll be no disappointment.

You just dampen a sponge or soft brush with "Wyeth's Sage and Sulphur" and draw it through your hair, taking one small strand at a time. Do this at night and by morning all gray hair disappears and after another application or two becomes beautifully darkened and more glossy and luxuriant than ever. You will also discover dandruff is gone and hair has stopped falling. Gray, faded hair, though no disgrace, is a sign of old age and as we all desire a youthful and attractive appearance, get busy at once with Wyeth's Sage and Sulphur and you'll look years younger. Inquiry shows all pharmacists in town here sell lots of it.
